

NetIQ Support Plans

A key component of every serious business strategy is knowledgeable and responsive Technical Support. NetIQ offers two levels of annual Support Plans, **Essential Care** and **Premium Care**, with service levels to meet a wide range of needs.

[Essential Care](#)

[Premium Care](#)

Pre-Sales Support

NetIQ provides free support via the Knowledge Base, telephone, and email to facilitate the software evaluation process. It is an opportunity to demonstrate the level of professionalism that customers can expect after the sale.
